EVER HAVE IT?

If You Have, the Statement of This Maysville Citizen Will Interest You

Ever have a "low-down" pain in the back? In the "small," right over the hips? That's the home of backache. It's caused by sick kidneys. That's why Doan's Kidney Pills cure it. Maysville people endorse this. Read a case of it:

Frederick Dresel, 1238 East Second street, Maysville, Ky., says:

"I consider Doan's Kidney Pills to be a most excellent remedy for kidney trouble and am only too glad to speak in their praise. About five years ago I was bothered by weak kidneys and the secretions were scanty and attended with pain during passage. Severe pains across the small of my back were frequent and at times greatly interfered with my work. While telling a friend of my condition, he advised me to use Doan's Kidney Pills and I procured a box at J. J. Wood & Son's Drugstore. I used them according to directions and they afforded me prompt and effective relief."

Deafness Cannot be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out of this tube and restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.
We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

M. E. CONFERENCE

Eighty-Third Session Now Being Held in This City

The eighty-third annual session of the Kentucky Conference of the Methodist Episcopal Church began this morning at 8:30 o'clock at the Third Street M. E. Church, with Bishop Luther B. Wilson presiding. The Conference begins with practically all Ministers present.

Yesterday was a day of arrivals, each train bringing a large delegation. The Pastor, Rev. F. W. Harrop, and his committee were kept busy receiving the Preachers and assigning them to their homes of entertainment.

Every detail of arrangement was carefully looked after and the Conference begins under very auspicious conditions.

Dinner will be served today and each succeeding day till Saturday by the ladies in the Sunday-school room. At the close of dinner today there will be some speech-making of a welcoming character. These will be responded to by Bishop Wilson and members of the Conference.

It is indeed a pleasureable sight to see these Ministers as they arrive, after being separated, many of them, for a whole year, greet each other. It is like a family reunion or Homecoming. No matter how hard the year has been, or how prosperous, no matter whether it is the high-salaried city Preacher or the poorest-paid one on "Hard-Scrabble" Circuit, they all meet and greet one another as one large family. And now, for nearly a week, not one of the least of the joys of Conference will be the talking over the year's work with its success and reverse.

That the public may gain some idea of who compose and who attend the Conference we give the names of those already here—

The meetings of the Board of Education and a preliminary meeting of the Board of Examiners took place yesterday.

Last evening was held the anniversary of the Board of Education and the Epworth League. The service began at 7:15 o'clock, with Dr. Boreling in the chair. After singing "How Firm a Foundation" Dr. Handford read the Scripture lesson and led in prayer. Dr. Wean was then introduced and delivered a very inspiring address on "The Why of Christian Education." He referred freely to the educational matters in Kentucky and takes a very hopeful view as to the progress being made.

Rev. J. A. Chapman presided over the Epworth League part of the meeting and Mr. C. B. Nordeman of Louisville delivered the address, which was right to the point and very instructive to leaders in young people's work.

The business of Conference tomorrow will be as follows—

8:30 a. m.—Devotional service, conducted by Bishop Wilson.
9:00 a. m.—Conference business.
11:00 a. m.—Semi-Occasional sermon by the Rev. Thomas Hanford, D. D.

WE OFFER FOR SALE

\$15,000.00

5% GOLD COUPON BONDS

Denominations \$50, \$100, \$500, \$1,000.

ALL BONDS REDEEMABLE FOR CASH ON DEMAND AT THE OPTION OF THE PURCHASER.

These bonds are the direct obligation of the Kirby Realty Company, a corporation organized under the laws of the State of Ohio. The Company has for many years followed the policy of redeeming its bonds for cash at any time, and during the recent panic met all of its obligations promptly and with cash. The total amount which the Company can issue is limited by law to \$100,000.00. The bonds are backed by real estate in the City of Cincinnati and suburbs, and in Covington, Newport, Bellevue and Dayton, Kentucky. The holdings of the Company were appraised by the Glenn-Brown Realty Company in 1906 at \$334,503.42. Since that time its holdings have materially increased, and can now be conservatively valued at half a million dollars.

The Company owns the entire suburb of Beechwood, near Cincinnati, one of the largest subdivisions in the United States. This tract is in the direct line of the city's present growth, and is reached by both electric line and railroad, being 22 minutes from the heart of Cincinnati. The completion of the new elevated line to Norwood will triple the value of this property, AND IT IS TO PUSH IMPROVEMENTS AND ERRECT ADDITIONAL HOUSES THAT THESE BONDS ARE BEING ISSUED.

The business of the Company is handled by men who are both progressive, and yet, properly conservative. Mr. Josiah Kirby, President of the Company, has a wide reputation as a shrewd and far-sighted business man, and is splendidly thought of in the community, being Mayor of the suburban town of Wyoming, where he resides.

Kirby Bonds, therefore, have the following distinctive advantages: 1st. THE CONVENIENCE OF SMALL DENOMINATIONS—\$50, \$100, \$500, \$1,000.

2d. THE HIGHEST POSSIBLE RATE OF INTEREST (5%) CONSISTENT WITH ABSOLUTE SAFETY.

3d. CASH AVAILABILITY. A BONDHOLDER CAN SECURE THE RETURN OF HIS ENTIRE INVESTMENT AT ANY TIME.

4th. BONDHOLDERS PARTICIPATE IN THE EARNINGS OF THE COMPANY, which are constantly increasing. All bondholders, in addition to the 5% guaranteed, have received the following dividends during the past four years: 1/2% in 1906; 1% in 1907; 1 1/2% in 1908; 1 1/2% in 1909, making a total for the current year of 6 1/2%.

5th. ABSOLUTE SAFETY. KIRBY BONDS ARE BACKED BY REAL ESTATE, THE MOST STAPLE AND SECURE FORM OF INVESTMENT. The holdings of the Company consist of improved city property, suburban homes, subdivisions, vacant lots and farms distributed over a wide territory. The fact that the Company earned more money during the recent panic than at any other time is proof of its earning power and capable management.

PERSONS DESIRING TO SUBSCRIBE MUST DO SO AT ONCE, AS THE ISSUE FOR THIS TERRITORY IS LIMITED.

Truth is the root, but human sympathy is the flower of practical life.—Platt.

Ask Her This Question

"Do you know of any woman who ever received any benefit from taking Lydia E. Pinkham's Vegetable Compound?"

If any woman who is suffering with any ailment peculiar to her sex will ask her neighbors this question, she will be surprised at the result. There is hardly a community in this country where women cannot be found who have been restored to health by this famous old remedy, made exclusively from a simple formula of roots and herbs.

During the past 30 years we have published thousands of letters from these grateful women who have been cured by Lydia E. Pinkham's Vegetable Compound, and never in all that time have we published a testimonial without the writer's special permission. Never have we knowingly published a testimonial that was not truthful and genuine. Here is one just received a few days ago. If anyone doubts that this is a true and honest statement of a woman's experience with Lydia E. Pinkham's Vegetable Compound write and ask her.

Houston, Texas.—"When I first began taking Lydia E. Pinkham's Vegetable Compound I was a total wreck. I had been sick for three years with female troubles, chronic dyspepsia, and a liver trouble. I had tried several doctor's medicines, but nothing did me any good.

"For three years I lived on medicines and thought I would never get well, when I read an advertisement of Lydia E. Pinkham's Vegetable Compound, and was advised to try it.

"My husband got me one bottle of the Compound, and it did me so much good I continued its use. I am now a well woman and enjoy the best of health.

"I advise all women suffering from such troubles to give Lydia E. Pinkham's Vegetable Compound a trial. They won't regret it, for it will surely cure you."—Mrs. Bessie L. Hicks, 819 Cleveland St., Houston.

Any woman who is sick and suffering is foolish surely not to give such a medicine as this a trial. Why should it not do her as much good as it did Mrs. Hicks.

ROYAL BLUE

For Laundry Use.

Is a very high grade of dyeing and specially prepared with the utmost care. Gives clothes a bright, fresh shade, with a beautiful lustre. It does in no way streak the clothes, as these cheap inferior grades do. Many of the finest laundries throughout the country use this dyeing daily with perfect satisfaction. You will like it. One ten cent powder, put into a quart of clear fresh water, will make you as much excellent dyeing, in liquid form, as you pay 50 cents for, and of a much better quality. You can make half a pint of excellent blue ink by dissolving the powder in half pint of water. Prepared by
